#The 62,50,000 compulsorily convertible preference shares (“CCPS”) acquired by Fairbridge Capital (Mauritius) Limited (“FCML”) by way of a preferential allotment do not carry any voting rights. Further, pursuant to the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, the said CCPS will convert no later than 18 months from the date of allotment whereby each CCPS shall convert into 10 equity shares of the TC. However, the said CCPS shall be converted into equity shares of the TC in accordance with the provisions of applicable law, including minimum public shareholding requirements. Further, FCML has undertaken that it would not breach the threshold of 75% equity share capital in the TC as prescribed under clause 40A of the listing agreement upon the conversion of the CCPS due to the following:

- Pursuant to a proposed scheme of arrangement and amalgamation between the TC, Thomas Cook Insurance Services (India) Limited (a wholly owned subsidiary of the TC) and Sterling Holiday Resorts (India) Limited (“Sterling”), the TC would be allotting its equity shares to the shareholders of Sterling thereby diluting FCML’s shareholding in TCIL to an extent that sufficient headroom would be created for conversion of the CCPS such that FCML continues to hold equal to or less than 75% in the TC; or
- If the composite scheme is not effective by the last due date for conversion of the CCPS, then the promoter would undertake other measures such as dilution to its existing equity shares, allotting equity shares to non-promoters etc. to ensure that its holding in the TC does not exceed 75% of the share capital of the TC on conversion of such CCPS.
