- (*) Total share capital/voting capital to be taken as per the latest filing done by the company to the Stock Exchange under Clause 35 of the listing Agreement.
- (**)Diluted share/voting capital means the total number of shares in the TC assuming full conversion of the outstanding convertible securities/ warrants in to equity shares of the TC.
- (***)Part-B shall be disclosed to the Stock Exchanges but shall not be disseminated.
- FCML also holds 4,423,000 compulsorily convertible preference shares ("CCPS") in TCIL, acquired by FCML by way of a preferential allotment and the said CCPS do not carry any voting rights. Further, pursuant to the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, the said CCPS will convert no later than 18 months from the date of allotment whereby each CCPS shall convert into 10 equity shares of TCIL. However, the said CCPS shall be converted into equity shares of TCIL in accordance with the provisions of applicable law, including minimum public shareholding requirements. Further, FCML has undertaken that it would not breach the threshold of 75% equity share capital in TCIL as prescribed under clause 40A of the listing agreement upon the conversion of the CCPS due to the following:
- (a) Pursuant to a proposed scheme of arrangement and amalgamation between TCIL, Thomas Cook Insurance Services (India) Limited (a wholly owned subsidiary of TCIL) and Sterling Holiday Resorts (India) Limited ("Sterling"), TCIL would be allotting its equity shares to the shareholders of Sterling thereby diluting FCML's shareholding in TCIL to an extent that sufficient headroom would be created for conversion of the CCPS such that FCML continues to hold equal to or less than 75% in TCIL; or
- (b) If the composite scheme is not effective by the last due date for conversion of the CCPS, then the promoter would undertake other measures such as dilution to its existing equity shares, allotting equity shares to
