6. Quess is India's leading integrated business services provider and is engaged in providing services in the fields of: (i) industrial asset management, (ii) integrated facility management, (iii) human resource services, (iv) global technology solutions and (v) internet business. The Company excels in helping large and emerging companies manage their non-core activities by leveraging its integrated service offerings across industries and geographies which provides significant operational efficiencies to its client.
7. TCIL is streamlining its business and proposes to demerge its Human Resource Services Business and consolidate its travel related businesses carried on by its wholly owned subsidiaries viz. Transferor Companies. As part of this arrangement, the Inbound Business of TCI will be demerged into SOTC TRAVEL and thereafter, the residual business of TCI will be merged along with the other wholly owned subsidiaries viz. TCTSL and TCF with TCIL. This arrangement is in consonance with the global corporate practices which intend and seek to achieve flexibility and integration of size, scale and financial strength, in the business carried on by TCIL. Further, TCIL will demerge Demerged Undertaking 2 which is the Human Resource Services Business into Quess. Upon segregation of identified business undertakings and amalgamation, TCIL, SOTC TRAVEL and Quess shall achieve higher long-term financial returns, increased competitive strength, cost reduction and efficiencies, productivity gains, and logistical advantages, thereby significantly contributing to future growth in their respective business verticals. Apart from the various benefits/advantages stated and illustrated above, the management of TCIL, SOTC TRAVEL, Quess and Transferor Companies are of the opinion that the following benefits shall also be enjoyed and realized by all the stakeholders:
  - Streamlining businesses: Currently, TCIL along with its subsidiaries, joint ventures and associate companies is engaged in various businesses such as financial services, travel and related services, vacation ownership and resorts business and human resource services. In order to streamline the business both from operating and management perspective, it is proposed to consolidate alike businesses into a single identified entity and segregate other businesses into another identified entity creating a niche dedicated and focused business segment without any risk or overlap of one business over the other. Accordingly, the Inbound Business of TCI will be demerged into SOTC TRAVEL and residual TCI, TCF and TCTSL will amalgamate into TCIL. The 'Human Resource Service Business' carried on by TCIL through itself and through Quess has significant potential for growth and profitability. The nature of risk, challenges, competition, opportunities for the 'Human Resource Service Business' is distinct and separate from the travel related business carried on by TCIL. The 'Human Resource Service Business' is capable of attracting a different set of investors, strategic partners and stakeholders. The proposed Scheme would create enhanced value for the stakeholders.
