### News Release

# Thomas Cook India inks Strategic Agreement with Sentosa Development Corporation, Singapore

## MoU between both parties to enhance Sentosa visibility and visitations with focus on product development and promotions

Mumbai, May 3, 2019: Thomas Cook (India) Ltd., India's leading integrated travel and related financial services company, has entered into a strategic agreement with Sentosa Development Corporation (SDC), Singapore to bring more tourists from India to Sentosa, a holiday island-in-the-city that is home to a diverse array of novel leisure experiences. The Memorandum of Understanding (MoU) was signed between Mahesh lyer - Executive Director and Chief Executive Officer, Thomas Cook (India) Ltd., and Quek Swee Kuan, Chief Executive Officer, SDC, at the Thomas Cook India Group headquarters in Mumbai.

Thomas Cook India's internal data has revealed a significant and growing-interest from Indian consumers for engaging experiences. With Singapore being a convenient short haul with extended access across India's metro and regional markets, Sentosa - which was recently named Best Attraction at the Travel Weekly Asia Readers' Choice Awards 2018 and Best Singapore Destination at the Tripzilla Excellence Awards for the second year running - has emerged as a high potential opportunity. Its diversity of attractions, such as Wings of Time, Madame Tussauds<sup>TM</sup> Singapore, Skyline Luge Sentosa, Sentosa 4D AdventureLand, Trick Eye museum, Universal Studios Singapore<sup>TM</sup>, and the S.E.A. Aquarium<sup>TM</sup>, have been witnessing demand from not just India's children (the new decision makers in family travel), but also Millennials/Gen Z, and groups of friends, b-leisure segments and women travellers. This is also evident in Sentosa's visitorship numbers, with India currently ranked as the island's top source market.

Leveraging this high growth potential, Thomas Cook India and SDC have entered into the three-year strategic agreement to deepen the relationship between both parties, strengthen Sentosa's position as a top-of-mind destination for all Indian tourists visiting Singapore, increase Sentosa's capture rates of the India market particularly in Tier 2 and 3 cities, and grow visitorship to and spend on the island. To this end, both parties will collaborate on a multipronged effort comprising activities such as product development, joint consumer promotions, as well as publicity to raise Sentosa's profile in the India market.

While Sentosa has featured as part of Thomas Cook India's Singapore portfolio, the company has now focussed on curating exclusive Sentosa packages as well. Additionally, as part of the partnership, Thomas Cook India will offer enhanced access to multiple Sentosa attractions, coupled with exciting promotions and special offers on accommodation and attractions.

Speaking on the partnership, Mahesh lyer - Executive Director and Chief Executive Officer, Thomas Cook (India) Ltd., said, "Our unerring focus on customer delight has been the cornerstone of our partnership with Sentosa Development Corporation. With experiential travel seeing significant and growing demand, Sentosa offers a perfect fit, with a plethora of engaging and enriching experiences in Singapore- a favourite with Indian holiday makers and B-leisure segments. It is truly an honour to partner with SDC in redefining the Singapore experience via a dynamic range of Sentosa products across both our B2C and B2B markets."

Commenting on the MOU, **Quek Swee Kuan, Chief Executive Officer, Sentosa Development Corporation, Singapore**, said, "Being a leading holiday destination that attracts some 19 million guests annually, Sentosa is undeniably an integral part of the Singapore experience, featuring a range of leisure offerings from beaches to dining experiences, themed attractions and hotels all on one island. Our partnership with Thomas Cook India illustrates SDC's efforts to engage and bring even more value and fun to our international audiences. With India

being Sentosa's top inbound market for the last three years, we look forward to collaborating with Thomas Cook India to tap on this growth potential and welcome more tourists to Singapore and Sentosa."

GB Srithar, Regional Director, South Asia, Middle East & Africa, Singapore Tourism Board (STB), witnessing the MOU signing ceremony, said, "India continues to be the third largest visitor arrival source market for Singapore. Over the last few of decades, Singapore tourism stakeholders have forged deep and mutually beneficial collaborations to bring the city's exciting, multi-faceted experiences to the Indian consumers. Sentosa is a must-visit attraction for Indian travellers to Singapore. The STB is happy to see Thomas Cook India and Sentosa Development Corporation ink a three-year strategic agreement to better engage and entice the Indian audiences to visit Sentosa and live up their passions, enjoying the island's varied offerings."
