News Release

Thomas Cook India registers significant 21% growth in demand from the Honeymoon Segment

- Launches special **Acti-Moon & Mini-Moon** packages for India's Millennials
- Introduces unique '**Love is in the Air**' escorted tours for Middle India's first time travellers
- **Luxury Honeymoons** with exclusive experiences

Mumbai, December 2, 2019: Thomas Cook (India) Ltd., India's leading integrated travel and related financial services company, has witnessed a significant 21% increase in demand for honeymoon travel and hence in a strategic initiative to target this high growth segment, has launched a series of cutting edge products:

- Exciting **Acti-Moon and Mini-Moon** tours to address millennials- India's new age travel hungry segment
- **Love is in the Air**, unique escorted honeymoon packages for Middle India's first time travellers
- **Luxury Honeymoons**, tailor-made itineraries with exceptional experiences

With adventure activities topping the list of India's millennials, Thomas Cook India has launched its engaging **Acti-Moons**, with off-the-beaten track, adrenaline-infused experiences including, jungle lodge stays and trekking in Malaysia, shark cage diving and bungee jumping in South Africa, black water rafting and zorbing in New Zealand, sky diving at Yas Island's Clymb; self-drives along Australia's iconic Great Ocean Road or the scenic route from Los Angeles to Santa Barbara; Singapore's Mac Ritchie Tree Top trek; canyoning and downhill biking in the Reunion Island; kayaking amidst Abu Dhabi's mangroves; kite surfing in the Philippines, archery sessions in Bhutan, snorkelling and an under-water sea walk in the Andamans.

For India's working millennials, short on time due to work commitments, Thomas Cook India's **Mini-Moons** offer a perfect mini-honeymoon! These customised romantic escapades offer domestic and short haul destinations like Indonesia, Malaysia, Abu Dhabi, Dubai, Singapore, Thailand, Sri Lanka, Vietnam-Cambodia-Laos and Oman. Special inclusions are yoga-ayurveda sessions and cooking classes in Kerala, an authentic hot stone bath experience in Bhutan, an exhilarating ride on the Bali Swing, a special floating breakfast in Indonesia, sunset dinners in Greece, whale-watching in Sri Lanka, among others.

With social media powering the demand for brag worthy experiences, Thomas Cook India's customised **Luxury Honeymoon** itineraries include indulgent elements like a private yachting in Italy, an exclusive stay in a historical chateau in France or a snow-igloo in Finland to witness the Northern Lights, geothermal spa-wellness therapy in Jeju/New Zealand/Fiji, private island dining experiences in Australia, jeep safaris in Jaisalmer/Thekkady, a Grand Canyon self-drive with breathtaking sunsets from the Canyon's rim etc.

Middle India's tier II & III markets are driving India's honeymoon travel growth story. With a majority of young couples being first time international travellers, Thomas Cook India's **Love is in the Air** group escorted packages provide the reassurance of an accompanying Tour Manager, the comfort of Indian co-travellers and home cooked Indian cuisine on tour. While ensuring privacy, the tours include special add-ons such as candle-light dinners, couple spa-wellness experiences, complimentary wine and chocolates, souvenirs, etc.

India's favourite honeymoon destinations of Switzerland, France, Italy, Thailand, Indonesia, Malaysia, Mauritius, Maldives and Australia-New Zealand are seeing strong competition from fresh new locales like the Reunion Island, Hawaii, French Polynesia (Tahiti, Bora Bora), Oman, South America (Brazil, Peru, Argentina), and exotic islands like South Korea's Jeju Island and Seychelles.
