## **Thomas Cook India & SOTC Travel Drive Corporate Networking through Golf**

### **Reinforcing leadership in India's fast-growing business travel sector at the DLF Corporate Golf League 2025**

**Mumbai, October 7, 2025:** India is rapidly emerging as one of the world's fastest-growing markets for business travel spending, ranked fourth globally and projected to reach USD 1.57 trillion by end-2025, according to the Global Business Travel Association (GBTA). Parallely, golf is gaining prominence as a strategic pillar within the global tourism agenda, with destinations like Japan, South Korea, Dubai, Malaysia, Thailand, Indonesia and Vietnam leveraging the sport to enhance destination appeal, attract premium travellers and drive high-value tourism growth.

Tapping into this powerful convergence of business travel and golf, Thomas Cook (India) Limited, India's leading omnichannel travel services company, and its group company, SOTC Travel, proudly participated as team owners at the 3rd edition of the prestigious DLF Corporate Golf League 2025 at the DLF Golf & Country Club, Gurugram. As an extension of this ownership, the companies hosted an exclusive evening – An Evening Under the Stars – bringing together senior corporate leaders and marquee clients across industries, creating a powerful platform for networking, insight-sharing and future-focused collaboration that extend beyond boardrooms.

Guests were treated to curated experiences featuring gourmet cuisine, handcrafted cocktails and engaging dialogue – all set against the timeless backdrop of the iconic DLF Golf & Country Club fairway, blending sport and strategic conversations in a truly memorable evening.
