FOREWORD

In creating this handbook we have tried to reinforce and recapture the long unblemished history and values driven culture of Thomas Cook (India) Ltd. The Business Ethics and Integrity Program (Values That Work.....at Work) was implemented in February, 1998 and amended in January, 2015 and contains a section on Insider Trading and Stock Tipping which is applicable to all the TCIL employees, irrespective of their grade.

The Securities and Exchange Board of India (SEBI) promulgated the SEBI (Prohibition of Insider Trading) Regulations, 1992 which were subsequently amended on 20th February, 2002, 11th July, 2003, 23rd April, 2007, 19th November, 2008 and 16th August 2011. These regulations, as amended, prohibit any employee of a company, listed on any stock exchange, from dealing in the securities of their company while in possession of any unpublished price sensitive information. The designated persons are also prohibited from communicating or imparting, whether directly or indirectly, confidential information to any other person, who may then deal in the company's securities.

SEBI, therefore, required all listed companies to frame a specific code of internal procedures and conduct to ensure the adherence to provisions of these regulations. With this in mind we had organized our handbook in three parts: the TCIL directives, Frequently Asked Questions and the SEBI Regulations.

SEBI with the objective of bringing the basic framework governing the regime of Insider Trading practices in line with the dynamic global scenario and to tighten the gaps of existing norms, had notified the Prevention of Insider Trading Regulations to be renowned as SEBI (Prohibition of Insider Trading) Regulations, 2015, on 15th January, 2015 and these had become effective 15th May, 2015.

SEBI with an intention to further strengthen the legal framework governing the prohibition of insider trading has amended the SEBI (Prohibition of Insider Trading) Regulations, 2015 by notifying the SEBI (Prohibition of Insider Trading) (Amendment) Regulations, 2018. The amendments as per the said notification shall come into effect on 1st April, 2019.

SEBI's move is a significant step to ensuring confidentiality in the operations and to provide a well governed legal system of the corporate sectors on one hand and to refrain any person from unfair trading in securities who has privilege of having access to unpublished information of any company.

This Code not only aims at meeting that regulation but also intends to define and translate these norms and parameters to all our employees in easily understood terms, in order to avoid any purposeful or innocent breach of company ethics. We must remember that our pride as a company and TCIL employees stems from ethical behaviour beyond compliance.

Thomas Cook (India) Limited is committed to good corporate governance and has consistently maintained its organizational culture as a remarkable confluence of high standards of Professionalism, Growth and Building Shareholder Equity with principles of Fairness, Ethics and Corporate Governance in spirit.

With that pertinent reminder I take great pleasure in releasing “**Code of Conduct for Prevention of Insider Trading**” handbook effective 22th March, 2021 (Version 5.7), This version overrides all the earlier versions viz. 30th January, 2020 (Version 5.6), 1st April, 2019 (Version 5.5), 27th May , 2016 (Version 5.4), 8th March , 2016 (Version 5.3) , 29th October , 2015 (Version 5.2), 30th July 2015 (Version 5.1),15th May, 2015 (Version 5.0), 30th May, 2002 (Version 1.0), first reprinted on 16th June, 2006 (Version 2.0) then on 2nd July 2009 (Version 3.0) and 29th October 2012 (Version 4.0).

CHAPTER – I- INTRODUCTION

1. INTRODUCTION:

Insider trading means dealing in Securities of a company by its Directors, Designated Persons or other Insiders based on Unpublished Price Sensitive Information. Such dealings by Insiders erode the investors' confidence in the integrity of the management and are unhealthy for the capital markets.

The Securities and Exchange Board of India (SEBI), in its endeavor to protect the interests of investors in general, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 under the powers conferred on it under the SEBI Act, 1992. With an intention to further strengthen the legal framework for prevention of Insider Trading, the SEBI has amended the existing regulations vide SEBI (Prohibition of Insider Trading) (Amendment) Regulations, 2018 which are effective from 1st April, 2019. The amended SEBI (Prohibition of Insider Trading) Regulations seem to be more promising and equipped to ensure better compliance and enforcement.

The Insider Trading Regulations prohibits an insider of a Company to deal in the securities of such Company while in possession of any Unpublished Price Sensitive Information. The Insider Trading Regulations also prohibits an insider to communicate, counsel or procure, whether directly or indirectly, any Unpublished Price Sensitive Information to any person including insiders, who while in possession of such information may deal in the securities of the Company listed or proposed to be listed.

Chapter IV of the Regulations, *inter alia*, requires all listed Companies to frame a Code of Internal Procedures and Conduct for Regulating, Monitoring and Reporting of Trading by Insiders as near thereto the Principles and Minimum Standards specified in Schedule A and Schedule B to the Regulations.

Every director, officer, designated employee of the company and such other person as may be identified has a duty to safeguard the confidentiality of all the information obtained during the course of his /her employment at or association with the company.

This code of conduct for Prevention of Insider Trading (the Code) shall come into force with effect from 22.03.2021.
