Press Release

Quess Corp Limited and NTTF tie up for the NEEM Program

~Partnership to strengthen 'employability enhancement' initiative of Government of India~

Bangalore, September 8, 2016. Quess Corp Limited ("Quess") and Netur Technical Training Foundation ("NTTF") have launched a partnership to extend the 'National Employability Enhancement Mission' ("NEEM"), a skills enhancement initiative of the Government of India. This initiative aims to offer multiple programs to improve candidate employability and ranges from six month duration courses to two year diploma courses.

Under the agreement signed today between Quess and NTTF – Quess will be the service partner for NTTF and will manage industry relationships and identification of eligible candidates across the country while NTTF will be responsible for training and mentoring of candidates to get them industry ready.

Quess in association with NTTF will develop courses designed in two parts: **Technical Orientation programs** that will be delivered through class room sessions followed by **On-the-Job training** that will be held at client locations and will expose the candidates to global industry practices.

As a programme that will be driven and sponsored by Industry, the aim will be to create a workforce skilled in the specific requirements of each employer. The training will cover a variety of verticals including automotive and non-automotive manufacturing, engineering, retail, logistics among others. In this effort, the platform offered by the 66 training centres of Quess and NTTF's 20 centres across India, will create scale to train candidates on a pan-India basis for clients.

Speaking on the partnership, Mr. Guruprasad Srinivasan, President - People and Services at Quess Corp, said, *"Our partnership with NTTF is crucial in identifying and extending the benefits of the NEEM program to deserving candidates and onwards to our clients. Candidates will not only get a chance to enhance their skills through a variety of vocational training programmes but also be trained to understand the processes that industry demands"*

Commenting on the association, Mr. N Reguraj, Managing Director, NTTF, said, *"We are excited about this collaboration with Quess Corp that will enhance the employability of youth in the country. We seek a long term relationship with Quess that will cover newer verticals and employers. We also hope to enable a greater connect between the youth and the Industry"*

About Nettur Technical Training Foundation (NTTF):

NTTF – an educational foundation established in the year 1963 – is the living symbol of Indo-Swiss co-operation; aimed at promoting purposeful Technical Education for the youth of India. The seed was put in place at Thalassery (Kerala), in the year 1959.

In its mission, the Foundation was actively supported with generous assistance from the Government of Switzerland, HEKS (a Swiss NGO), and Swiss Development Co-operation (a development agency in Switzerland). The Government of India and the State Governments also extended their support. The Foundation implements its program of Technical Training through more than 20 Training Centres located in various States across India. NTTF assists industries, through its special collaborative initiative for producing quality manpower, by establishing training centres in partnership with industry associations. NTTF is an ISO 9001 Certified institution.
